

RISK DISCLOSURE FOR VIRTUAL CURRENCIES

ProfiXone Capital LLC (hereinafter called the "Company") is an International Business Company whose registered office is located at: Suite 305, Griffith Corporate Centre, P.O.Box 1510, Beachmont, Kingstown, St.Vincent and the Grenadines, registration number 834 LLC 2021.

This document cannot and does not disclose or explain all of the risks and other significant aspects involved in dealing in Financial Instruments and CFDs (contracts for difference) and was designed to explain additional risks related to dealing in the CFDs on virtual currencies provided by the Company and help the Client to take investment decisions on an informed basis.

This document should be read together with the General Risk Disclosure.

What are the additional risks related to virtual currencies?

1. The trading virtual currencies is not regulated under the regulatory framework governing in every jurisdiction.
2. Virtual currencies are complex and high risk and as such come with a high risk of losing all the invested capital.
3. Virtual currencies entail a high risk of losing all the invested capital.
4. Virtual currencies values are subject to extreme price volatility and hence may result in significant loss over a short period of time.
5. Virtual currencies are not appropriate for all investors. As such, customers should not engage in trading in relation to such products if they a) do not have the necessary knowledge in this specific product; or b) if they cannot bear the loss of the entire invested amount. Customers must be fully aware of, and understand, the specific characteristics and risks in relation to these products.
6. The fees and costs entailed are provided on the official website of the Company in the Contract Specifications section.
